14-17, April 2008

SPOUSE BREAKFAST AND TOUR – Wednesday April 16, 8:00 am – 1:00 pm

Start the morning with a complimentary breakfast at the hotel followed by a short van ride to the Mt. Hood Railroad for a train excursion. Dating from the early 1900s, the Excursion Train is comprised of enclosed Pullman coaches, a concession car offering light food and beverage, a red caboose and an open air car. Sit back, enjoy the great views and visit with friends and family as you travel along the river, through forests, meadows and numerous fruit orchards to the town of Odell. A live narration along the way covers local history and key points of interest. During the ½-hour layover, sample local cafés, browse the shops and take in stunning views of Mt. Hood. Be sure to bring a camera.
